

I'm A Clever Girl sung to Barbie Girl by Aqua

by JustJeanette

It would seem I have a death wish. I've finally released "I'm A Clever Girl" for your consideration. I don't own Harry Potter or the song "Barbie Girl" by Aqua but I am a strange individual and this is the result.
Severus and Hermione sing together... ;)

Stir it once, pour it there, potion magic

You can pour, you can stir, if you say "I'm always right"

Hit the desk, stir around, let's get pounding
